

Stone Oak Dance Company is S.O.D.A.'s Competition Team made up of talented students who love to dance and want to be a part of an elite group of dedicated individuals. Stone Oak Dance Company is about motivating young minds to be the best that they can be. This special program is designed for dancers who strive to accomplish an **advanced** level of training. But it is not just a dance education; it's a total education. Team dancers learn life skills through performances, attending unique workshops, working as a team and so much more. Our director Ms. Kelsea believes that being involved in competitive dance develops positive self-esteem, confidence, accountability, and leadership in young dancers.
