

Middle School & High School DANCE TEAM SKILLS CAMP

Join us for this special 1 week camp we are offering to help dancers work on those specific skills and tricks required for Dance Team, Drill Team, & Pep Squad. Come for the week or just for the day. Classes will be designed to help each dancer identify and work on specific techniques and skills needed to improve their understanding and performance of these specific moves. The Middle School room is for our beginning level dancers with little to no prior dance experience. High School room is for our more advanced dancers with prior training. This will also be a great opportunity to get your required summer dance hours!
