

Musical Theatre Camp

June 17 – 20 from 9am -12:30pm
Ages 9 & up

In four days, your students will learn three different Broadway songs & dances for three different musicals. Our goal for this camp is for the kids to be exposed to musical theatre in different genres and dance styles. They will also be learning emotions through the music and acting so they can start to learn to tell a story through song and dance. Participants will be split up by age groups for singing, dancing, acting classes then brought together at the end of the day to share with their fellow campers. At the end of the 4 days from 12-12:30pm on June 20th students will share with parents what they have learned with an in studio performance.
